## LAND RECLAMATION DIVISION MEMORANDUM NO. 92-10

TO: All Coal Mine Operators

FROM: Fred K. Bowman, Supervisor *FB*  
Land Reclamation Division

DATE: September 24, 1992

RE: Reporting 1992 Affected Acreage

Because of delays in receiving the 1992 aerial photography, the Department hereby extends the deadline for submittal of fiscal year 1992 affected acreage reports to October 19, 1992, unless you have already received a permit specific extension for a later date in which case the later date will apply.

If you should have any questions concerning this matter, please contact Donald Pflederer at our Springfield office or your field representative.
