Come for the scenery and stay for the camaraderie.

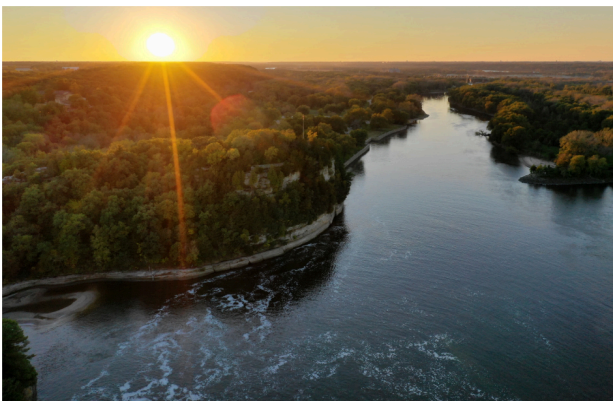

280 acres of land including the site of Starved Rock was purchased by the State of Illinois in 1911 after local citizens urged the state to protect the beautiful 18 canyons and 7

overlooks found in the area. Since then over 3,000 acres have been added to the park including neighboring Matthiessen State Park, Marjory C. Carlson Nature Preserve, Sandy Ford Natural Area, and Mitchell's Grove Nature Preserve.

Starved Rock State Park is truly a one of a kind location in the heart of the Midwest. The land is rich in history and geology that is unique to this area of Illinois. St. Peter Sandstone found in this area of Illinois creates the beautiful backdrop of each canyon and overlook at the park.

Those that "flock to the rock" come for nature walks, eagle viewing, bird watching, adventure, camping, fishing, hunting, and more.

Make a Difference

Are you looking for a way to give back? Maybe its your time, monetary donations, or your skills? Perhaps you are a retired teacher, business owner, lawyer, carpenter, event planner, or grant writer. Do you love history? Are you a Master Naturalist or Gardener? Maybe you're a worker bee, graphic artist, or just love talking to people and sharing what you know!

If you have some time on your hands and are interested in helping us preserve and interpret the natural and historical heritage of Starved Rock, or meeting new people, please join us.

Starved Rock Clean Up Crew

Volunteers can also apply to be on our board, or work on a committee/team in trail clean up and improvement, archives, educational programs (guided hikes, special events, and school/scout groups), help in the office, or with fundraising.

Volunteer training is available throughout the year or on a one-on-one basis at the Visitor Center. High School honor roll students can also volunteer on our Teen Team.

The Starved Rock Foundation would love to welcome you to our active volunteer and member program!
