

## History

Originally home to tribes of Native Americans, the park derives its name from Chief Shabbona. Pioneer settlement of the area began in the 1830s. From Shabbona Grove, in the southeast corner of the park, homesteaders spread over the region and began farming the rich soil.

In 1965, it was decided to develop a lake and recreation area on the site, and land acquisition was begun in 1969. By 1978, 1,550 acres had been obtained.

In 1973, the lake area was cleared of trees, the shoreline was modified and earthen fishing piers and fish congregators were erected. By 1975, a 3,000-foot-long earthen dam with a concrete spillway was completed and the lake was formed. Day use facilities were constructed in 1976 and continue to serve the public today. Current plans call for the development of a swimming beach, concession facility and visitor center, as well as campground expansion, including a youth group camping area. These should be completed in 1992.

### Picnicking

Visitors can picnic at any of three major day use areas situated along the western shore of the lake. Parking, water and rest rooms are available, as well as horseshoe pits, and a regulation-size baseball diamond. Shelters may be reserved on a first-come, first-served basis. Please contact the park office to make reservations.

### Camping

The campground has 50 Class A sites with electricity, a sanitary dump station, and a shower building with flush toilets. In addition, there are 100 Class B sites (showers and vehicle access only), and all camping facilities are accessible to the disabled. Campgrounds may be closed during the spring thaw due to road conditions, and shower facilities may close during the winter. To check on the campground status or for further camping information, contact the park office.

### Concessions

Facilities are available for snack food, bait sales, boat rentals and motor rentals on a seasonal basis. For more information, call (815) 824-2607.

### Hiking

Four-and-a-half miles of scenic hiking and cross-country skiing trails weave through the wooded areas of the park and a trail brochure is available at the office. Additionally, the specially developed "Touch the Earth" trail, where visitors are guided along by a cassette tape and a special brochure, also available at the office, is open to all.

### Fishing and Boating

Whether fishing from a boat or shore, both are popular and productive at Shabbona Lake, which is stocked with large and smallmouth bass, bluegill, redear sunfish, rock bass, black and white crappie, black and brown bullhead, channel catfish, walleye, muskie and tiger muskie. For fish catch and size limits, contact the park office.

Lake access is available from a double-lane launching ramp. Boat motors are limited to a 10-horsepower maximum. However, an 18-acre upper fishing area is a no-wake zone where only the use of electric trolling motors or rowing is permitted. For further details, including information on special sailing regulations, contact the park office.

### Hunting

Archery deer hunting and firearm dove hunting are available on 480 acres. Please contact the park office for further details.

### Winter Sports

In addition to the cross-country skiing available on the nature trails, the lake is ringed by a 7-mile snowmobiling trail open Jan. 1, from 8 a.m. to 4 p.m. when conditions permit. Snowmobilers must register with the park office. Ice fishing and ice skating are allowed when the ice is thick enough, and the rolling terrain is ideal for sledding and tobogganing.

### Special Feature

Shabbona Lake is a pilot site for disabled visitor accessibility and the facilities — parking, picnic shelters, water fountains, rest rooms and telephones, even a specially designed fishing pier — are totally accessible.

For more information contact Shabbona Lake State Recreation Area, park office, Route 1, Box 120, Shabbona, Ill., 60550, (815) 824-2106.
