PUBLIC NOTICE

**PROPOSED CONSTRUCTION WITHIN THE WATERS OF THE ILLINOIS RIVER,
TAZEWELL COUNTY**

Notice is hereby given to all interested parties that the Illinois Department of Natural Resources, Office of Water Resources (IDNR/OWR) has received an application for permit from Archer Daniels Midland Company, 1000 Wesley Road, Creve Coeur, Illinois 61610, to authorize construction along the Illinois River. A location map is provided on the second page of this notice.

The proposed work includes the reconstruction of a barge loading conveying system with a new enclosed system. Additionally, the loading tower foundation will be rebuilt. New pilings will be installed for the marine tower and three intermediate towers. New support towers will be installed to support the new bridge, conveyor, and barge spout. All work will be within the floodway of the Illinois River.

Inquiries may be directed to William Lavelle at 217/785-3334. All interested parties are invited to submit written statements regarding the proposed work to the Illinois Department of Natural Resources, One Natural Resources Way, Springfield, Illinois 62702 by May 17, 2024.
