## PUBLIC NOTICE

### **PROPOSED IMPROVEMENTS OF RIVERFRONT PARK ON THE FOX RIVER IN THE VILLAGE OF CARPENTERSVILLE BY THE VILLAGE OF CARPENTERSVILLE.**

The Village of Carpentersville, 1075 Tamarac Drive, Carpentersville, Illinois 60110 has applied for a permit from the Illinois Department of Natural Resources, Office of Water Resources to authorize the improvements of riverfront park located on the east side of the Fox River. The site of the proposed work is located south of the W. Main Street bridge and West of Washington Street in the Village of Carpentersville. This notice is being sent pursuant to the state rules for construction in public waters.

The improvements will include outfall, stream bank stabilization and excavation on the east bank of the Fox River. The project will stabilize approximately 607 linear feet of stream bank with stone. Banks will be graded and excavated back at a flatter slope.

The purpose of the project is to redevelop a previous industrial site as a park amenity on the Fox River for public enjoyment.

The project site is located in the Northwest Quarter of Section 22, Township 42 North, Range 8 East of the Third Principal Meridian in Kane County. Enclosed with this public notice is a location map.

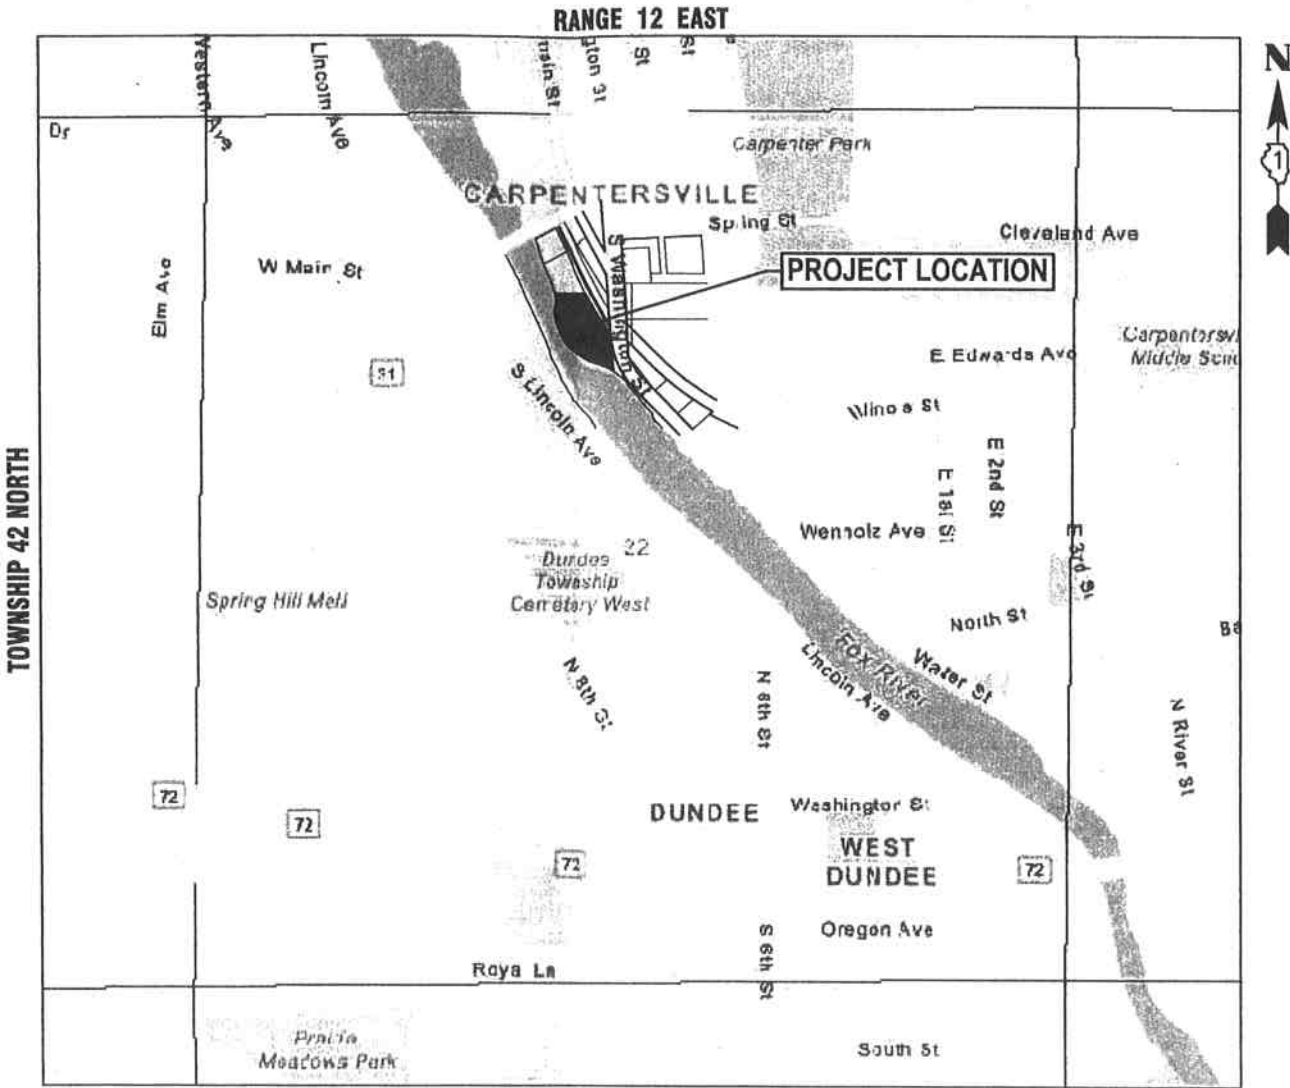

Plans for the work may be seen by appointment at the Northeastern Illinois Regulatory Programs Section office, 2050 West Stearns Road, Bartlett, Illinois 60103. Inquiries and requests to review the plans may be directed to Bruno Athmanathan of the Bartlett Office at 847/608-3116. You may also contact the applicant's agent Laura Pellizzari of HR Green, Inc., at 847/563-7807. Additional information about this project can be found on our website at [www.dnr.illinois.gov/waterresources](http://www.dnr.illinois.gov/waterresources).

Review of this project will be limited to the following issues: 1) Any obstruction to, or interference with the navigability of the river; 2) Any encroachment on the river; and 3) Any impairment of the rights, interests or uses of the public on the river or in the natural resources thereof.

**You are invited to send written comments regarding the proposed work to the Bartlett Office by November 7, 2024.**
